

Star Wars fans will probably never agree on the prequels; some love them, most hate them, but these cool new posters by Eric Tan are awesome regardless of how you feel about the movies themselves! Bottleneck Gallery will sell these The Phantom Menace, Attack of the Clones, and Revenge of the Sith posters tomorrow from noon EST. Measuring 12 x 36 inches, they're limited to 250 editions apiece and will retail for \$40 each or \$140 for the set. Interestingly, Tan isn't a fan of the prequels either, so he went out of his way to find the best of those movies to display here. It's fair to say he succeeded! "I wasn't a fan of those films' stories but I did appreciate the production design within them," he told io9. "With the prequels prints, I was able to add all the characters and vehicles that I felt were well-designed and could make for striking imagery." Tan has previously made posters for the original
