

The latest Logan pic from the WponX Instagram account is captioned simply &quot;Prom&quot;, and features a dapper-looking gentleman who is clearly a little miffed about something on the streets of El Paso. Because of the distinctive white suit he's wearing, there's been speculation that this might be an incarnation of Marvel villain Arcade, who has used his genius-level intellect to antagonize Wolverine and the other X-Men on numerous occasions in the comics. On the other hand, it could just be some dude in the middle of a really bad prom-night. What do you guys make of the pic?
