

Source: Paranormal Pop Culture Actor Sam Witwer has revealed some interesting details about a now canceled Walking Dead web series that Frank Darabont had been laying the groundwork for since early Season 1. Here's what Sam had to say: WITWER: "I was already in The Walking Dead. You guys have heard what's happened, recently. I'm furious at them for this, because Frank is my friend, he's my buddy. Not only is he my buddy, but he's a guy I'm extremely loyal to, because he gave me a shot with The Mist, when I didn't have a hell of a lot going on. Here's a guy who gets his cast and crew together and gives AMC a show, packages it all together, which is way cheaper than anywhere else because everyone is working way under their pay grade. Why? Because they want to and love working with Frank Darabont. He has shared with me
