

With the Cubs winning the World Series, the domestic release of Marvel's Doctor Strange, and the debut of the theatrical trailer for Wonder Woman, today's really shaping up to be a wonderful day. Ahead of the expected trailer release, Warner Bros. Pictures has released three stunning new posters for the film featuring Gal Gadot as the Princess of Themyscira standing tall and striking up fear in the souls of her enemies. Check them out below:

Wonder. Power. Courage. #WonderWoman pic.twitter.com/oYsJNT085G — #WonderWoman (@WonderWomanFilm) November 3, 2016 Before she was Wonder Woman, she was Diana, princess of the Amazons, trained to be an unconquerable warrior. Raised on a sheltered island paradise, when an American pilot crashes on their shores and tells of a massive conflict raging in the outside world, Diana leaves her home, convinced she can stop the threat. Fighting alongside man in a war to end all wars, Diana will discover her full powers...and her true destiny. Wonder Woman features: Director: Patty Jenkins Gal Gadot as Diana
