

Seth McFarlane's TED hit theaters last night, and I have to say that it was pretty darn funny. Seth McFarlane is probably best known for creating FAMILY GUY, but he steps up to the plate as co-writer and director. The film stars Mark Wahlberg and FAMILY GUY regular Mila Kunis. Not only does the film feature a foul-mouthed, pot-smoking teddy bear, but it also make light of child stars, hookers, Boston women, Asians, Jews, Muslims and almost every other race known to man. TED also includes a few things directed specifically to comic book movie fans. Here are the three big ones... There may have been others, but I was too busy laughing to notice. For X-Men Fans the film is narrated by Patrick Stewart, X-Man fans favorite Professor X. You'll definitely hear things that you never thought would come out of Professor X's mouth! Ryan Reynolds Fans will
