

In an interview with SFX, actor Titus Welliver - who plays Agent Blake in Item 47 - discusses his work on that short film. Welliver, who has been a big comic fan for many years, says that he didn't spend that much time shooting, but that it was a "a tremendous amount of work" because the black lacquered floor in the room they were filming in made it very difficult to block reflections. But he also says he had great fun, which leads to the question - will he return as Agent Blake in the recently announced S.H.I.E.L.D tv series? Unfortunately he doesn't know much - or if he does he's keeping schtum about it - but he definitely sounds like he's interested..

"I don't know, I literally, you know, that press release was just done last week, and that was the first that I've heard of it. I would certainly be
