

This cool new mash up/promo combines some of the coolest scenes and powers from X-Men:First Class with some of the biggest NBA stars involved in the Eastern Conference Finals. Wouldn't this be a playoff series for the ages? Before Charles Xavier and Erik Lensherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Before they were archenemies, they were closest of friends, working together, with other Mutants (some familiar, some new), to stop the greatest threat the world has ever known. In the process, a rift between them opened, which began the eternal war between Magneto's Brotherhood and Professor X's X-MEN. Directed by Matthew Vaughn X-Men:First Class stars James McAvoy, Michael Fassbender, Rose Byrne and Kevin Bacon is set to hit theaters this June. NBA XMen Commercial from Streetball.com on Vimeo.
