

Speaking to Crave Online, Tom Cohen - Vice President of Production over at Marvel Studios - talks in detail about working on the set of The Avengers, as well as future films in the MCU (such as Luke Cage, The Punisher, and more Hulk films). He also talks about the reboots of Daredevil and Fantastic Four, confirming that both projects will be developed by Fox. It's one thing to have been talking about it, but what's it like to be on the set of Avengers? Tom Cohen: It is exciting. I'll tell you, I grew up a fan, especially a Marvel fan, a comic book fan and I also love movies. So to be able to work at a company and work for a great boss like Kevin Feige, he really is a great boss, it's really a fun place to work. It's a real dream to be able to work with these
