

One. More. Day. After a four-year absence, Jack Reacher returns tomorrow night and for any bad guys standing in his way, that's the worst news possible. The story, which features Tom Cruise as the titular hero, follows Jack after he returns to his old stomping grounds in Virginia for a long overdue meetup with Major Susan Turner, played by Cobie Smulders. But when he arrives, things start to go haywire, as they typically do, and it doesn't take long before Reacher finds himself back on the run. Paramount Pictures has released twenty-five badass new stills from the action sequel, check them out below:

Plus, here are two new posters, courtesy of Gallery 1988 (via Birth.Movies.Death.) Jack Reacher: Never Go Back follows the title character as he returns to Virginia to meet the head of his former unit. But she's missing, he's being charged with a crime committed nearly 20 years ago, and he may even have a daughter. Making things right will lead him on
