

Our first excerpt comes from a lengthy interview with Tom Hardy in The Guardian. While not revealing anything much about The Dark Knight Rises, he does share his thoughts on working with Christian Bale, as well as his fellow actors somewhat complicated relationship with the press. Below that, there's a video interview with Marion Cotillard from Access Hollywood, where she talks briefly about the "amazing" experience of working on the highly anticipated movie from Christopher Nolan. We thought the refusal to be photographed was because his body looks different now he is shooting as Bane from how it looked in Warrior, the film he's promoting today. "Well, I'm metamorphosing my character as best I can and because I'm not Christian Bale, it's difficult." I tell Hardy of a charming story in which Christian Bale, who plays Batman opposite Hardy in The Dark Knight Rises, told an interviewer he would like to "piss
