

Over at Movieline, from the recent press junket for Marvel & Kenneth Branagh's epic adventure THOR, the star Chris Hemsworth & 'Loki' actor Tom Hiddleston spoke more on reprising their roles in Marvel's The Avengers. "I think the thing that looks like a challenge is actually the reason it will work," said Hiddleston, "As in, how can one movie contain so many different flavors and colors and characters? I think Joss Whedon has probably made that a strength," he continued. "The conflict between each of them will be something that will be expanded on." Hemsworth says, "We don't balance all the other characters, it's the writer and Joss Whedon, who's the writer and director. His job is to sort of navigate that. We come in and help him, and that's all you can really concern yourself with. But I definitely think it will be an interesting combination. As Tom said, why it will
