

Talking to MTV Splash Page, Tom Hiddleston has spilled more details on his role as the villainous Loki in The Avengers, sharing his thoughts on his new costume, the leaked set photos and his brutal fight scenes with his fellow actors. We already know that Loki will come face to face with each of the heroes, but this is a clear indication that they'll be doing a hell of a lot more than just talking! Be sure to click on the link below to head on over to the site for more. On The New Look For Loki In The Avengers: It's kind of, what's the right word... it's more gangster. If in "Thor" he was an Asgardian prince, in "The Avengers" he's an Asgardian pirate. It's evolved. It takes into account between the end of "Thor" and the beginning of "Avengers," [that] he's been around. On What He Thinks Of The Leaked Set
