

In an interview with Vulture the British actor talked more about returning to the role of Loki in The Avengers. To read more about his experiences working on THOR, follow the link below to head on over to the site. For now, here are the relevant excerpts regarding the part he'll play in the 2012 superhero epic. At what point did they tell you that you would get to be the primary villain in The Avengers too? Well, I think it was a plan from the get-go, but it wasn't really dead-set until near the end of Thor. What was wonderful is that about four days after I wrapped on Thor, I went out for a cup of tea with Joss Whedon. We sat down at two o'clock in the afternoon, and we were still sitting there at six o'clock. He said, "Listen, you've lived with this guy for six months. I want
