

While chatting with MTV News Tom Hiddleston recently talked about his favorite scene for the Summer blockbuster movie Thor was. Hiddleston said it is the scene involving him and Anthony Hopkins when Loki finds out that he is Laufey's son. "I have a number of favorite scenes. Probably my favorite scene of all, just because it was a great day at work and will go down into my top ten days of work in my whole acting life, was the scene with [Anthony] Hopkins in the vault, when I find out that I'm Laufey's son. Up until that point we'd shot only action." "The first proper acting scene on the schedule was that scene between Odin and Loki and it was Tony's first day at work and he was excited and thrilled to be working with Kenneth [Branagh], and Ken was excited and thrilled to be working with Tony. At one point I
