

Now chatting with The Hollywood Reporter in a somewhat revealing video interview, 'Loki' actor Tom Hiddleston dishes on the the character's mischief & his return from Thor to The Avengers. Possibly hinting at his "alien" army, watch the interview below! “What happens in the space between the end of Thor and the beginning of The Avengers is Loki’s made some very shady deals with the gangsters on the streets of the Nine Realms,” Hiddleston tells The Hollywood Reporter at Saturday’s D23 Expo. “At the beginning of Avengers, he comes to earth to subjugate it,” he continues. “And his idea is to rule the human race as their king. And like all the delusional autocrats of human history, he thinks this is a great idea because if everyone is busy worshipping him, there will be no wars.” And when we asked him who he based his portrayal of the villain on, he answered,
