

Below is a brief excerpt from the interview over at HeyUGuys. To hear more from the actor, and to read the sites full coverage from the Jameson Empire Awards 2011, be sure to head on over there by clicking the link below! I just wanted to ask you about the Marvel films. What's your favourite one? Well, I remember being in Sweden for The Girl with the Dragon Tattoo, and went to a cinema as a paying punter not expecting anything, and saw Iron Man. It was fantastic, so entertaining. It's a lifelong dream come true now I'm playing in one of their films. They've created such iconic movies for comic book lovers. And for people who haven't seen the film. Yeah exactly. They're just great entertainment. I also wanted to ask you about Captain America. Have you seen any of it? I've only seen what the rest of you have seen.
