

Dubbed the “world's hottest actor” in this year's Total Film Hotlist Awards, actor Tom Hiddleston recently sat down for a Q&A with the UK magazine. And while offering an acceptance video, which can be seen [here](#), Hiddleston also briefly commented on his anticipated reprisal as Loki in Marvel's Thor: The Dark World. “I don't want to give too much away. But I can guarantee that you won't be disappointed. Alan Taylor's vision of Thor 2 is utterly brilliant. The journey continues in the most epic dimension and proportion imaginable. It's very, very exciting.” “The best thing about being Loki is that he is my diametric opposite. Physically, he is a photo negative of who I am. Loki is dark and pale, and I am light and fair. Also spiritually I am not much like him either. Yet I feel an incredible freedom in playing him.” “He is a combination of mercurial intellectual
