

At the Toronto Film Festival Tom Hiddleston sat down with Collider to talk about a variety of things. The most interesting things being Thor 2 and The Avengers. Hiddleston reveals that he thinks they start Thor 2 in the spring of next year as well as talks about exploring Thor's universe a little bit more. He also touched a little bit on The Avengers, and the leaked set photos. He also jokes a little bit about wearing the costume out in public to Starbucks.
