

I think we have heard more from Tom Hiddleston than any other Avengers star so far. But I am still genuinely interested to hear what he says. This time, speaking again with MTV Splashpage - he shares some information on how Loki 'arrives' on Earth. Watch the video below. Get More: [Movie Trailers](#), [Movies Blog](#) One of the biggest scenes from the trailer is arguably a threatening shot of Loki in some sort of portal as military personnel close in. Hiddleston confirmed that this scene is Loki's big arrival to Earth for "The Avengers." Hiddleston comments that, "He's landed." The last time we saw Loki, at the end of "Thor," he was falling into the abyss after the destruction of the Rainbow Bridge, but Hiddleston says that a line just before the final battle between the royal brothers is a telling hint. "There's a line in 'Thor' I remember saying to Idris Elba's Heimdall,
