

Marvel Studios & Sony Pictures' upcoming joint-collaboration, Spider-Man: Homecoming, is currently deep in post-production, and earlier today director Jon Watts shared a fun behind-the-scenes video from a performance capture session featuring the titular wall-crawler himself, Tom Holland. The video is fairly brief, but it offers a pretty great look at what it takes to bring Marvel's best to life as Holland gives us more than a handful of classic facial expressions. Check it out below:
