

Ever since being photographed on the New York City set of this summer's most-anticipated film, Marvel's The Avengers, the open-top Acura NSX sports car, made just for the film's billionaire playboy 'Tony Stark,' has been in the automotive media spotlight. While it was said to be developed only for the movie, not being produced, the prototype was recently put on display via NY Acura Dealers. Check out photos of the displayed prototype below! Marvel Studios presents in association with Paramount Pictures "Marvel's The Avengers"--the super hero team up of a lifetime, featuring iconic Marvel super heroes Iron Man, the Incredible Hulk, Thor, Captain America, Hawkeye and Black Widow. When an unexpected enemy emerges that threatens global safety and security, Nick Fury, Director of the international peacekeeping agency known as S.H.I.E.L.D., finds himself in need of a team to pull the world back from the brink of disaster. Spanning the globe, a daring
