

These guys sure love their carnage! Total Film has posted what they consider to be the 20 most violent comic book characters. I don't think we can argue with any of em, but there might be a few you guys feel should have made the list. Check em out below and remember, this is just the top 10 out of 20 so go check out the rest before asking "Where the hell is Sabertooth??" etc.

1) The Punisher What they say: Most Violent Moment: So many to choose from, but his epic Marvel Max scrap with psycho hitman Barracuda is up there. Pit Frank against a villain so deranged he hums and sings after having his eye gouged out and his fingers cut off and there will be blood. If It Was Filmed: To be fair, Punisher War Zone is one of the most violent films ever made. Sadly, it's also one of the shittiest. But if
