

I have to say, I find this to be one of Hot Toys' less impressive figurines. I mean he looks cool, and is as movie-accurate as we have come to expect, but there just seems to be something missing. I know The Hulk was never going to come with too many accessories, but just some interchangeable hands? No extra head sculpts? I realize The Hulk was angry for most of the movie but there was at least one more expression they could have used! Anyway, I wouldn't be rushing out to buy this one -- even if I had the spare 200 quid lying around.. Hot Toys is proud to present the highly anticipated 1/6th scale Hulk Limited Edition Collectible Figurine from the smash hit The Avengers. The movie-accurate collectible is specially crafted based on the image of the giant green-skinned angered monster Hulk in the movie, highlighting the newly developed
