

Doc Of The Dead still needs help with funding to secure a release, and you can check out the official site and donate if you wish [HERE](#). We will keep you updated on that , but for now you can check out the trailer below - worth watching alone to see Red Letter Media's Harry Plinkett throw pizza rolls at a Zombie hooker.. The definitive zombie culture documentary, brought to the screen by the makers of THE PEOPLE vs. GEORGE LUCAS. Shot and edited in a cinematically edgy, high-octane style, DOC OF THE DEAD will host a rich pop culture dialogue with zombie experts and celebrities, seek participation from YouTubers and indie filmmakers, and investigate the possibility and ramifications of an actual zombie outbreak.
