

Mandy.com has posted the following casting call for Michael Bay's fourth and reportedly final Transformers installment, which will begin shooting early next summer. As well as confirming a prior casting call for the movie's two new leads (a high school senior and her race car driver boyfriend), it also reveals that the film will begin production in London for three months beginning in April or May 2013. Transformers 4, which has a release date of June 27th, 2014, will also be filmed in various locations overseas. To apply, click the link below. Many thanks to TFormers.com for the heads up. Production: TRANSFORMERS 4 (Feature Film) Location: London Employer: BDiscovered Duration: 3 months, starts approximately April/May 2013 (non-Equity artist contracts) Director: Michael Bay. Looking for Talent to send to Casting Director - This is a Paramount Pictures production filmed in various locations overseas. Apply to: Tina Hartery 1. Female / 18-24 yrs. / Any
