[TRON 3i Teaser Trailer Details](#)

After a hitting big at the box office, the belated sequel TRON: Legacy seemed like it would be certainly getting a sequel. A few weeks back Harry Knowles of Ain't It Cool News reported that Disney would be announcing a sequel very soon. Then came the rumor posted by a fansite called TRON-SECTOR that claimed a teaser trailer for a third movie would show up on the Blu-Ray & DVD releases for both TRON & TRON: Legacy. Now Harry Knowles of AICN comes back into play with even more juicy TRON 3 rumors. Knowles was contacted by someone claimng to be a worker on the shooting for the DVD & Blu-Ray extras, Where the teaser will show up. He claimed that it would be made up of three scenes and provided details of those scenes, which you can read below. One includes Bruce Boxleitner (as Alan) and Dan Shor (as
