The Internet's definitive destination for all things Disney, Jim Hill Media offers, "So given that there's now a teaser trailer for "Tron 3" out there, does that then mean that the sequel to this Kosinski film has officially been greenlit? Not exactly. Not yet anyway. Long story short: Back in April of last year, Disney executives signed Eddy Kitsis & Adam Horowitz (i.e. the screenwriters of "Tron: Legacy") to start work on the script for a sequel. But just because there's now a "Tron 3" screenplay floating around the lot in Burbank doesn't mean that production of this proposed sequel will ever actually go forward. And why exactly is that?," you ask. "What's preventing production of 'Tron 3' from going forward now?," you ask. To be honest, it's not so much that "Tron: Legacy" hasn't performed as strongly stateside as the Studio had hoped. But - rather - because overseas ticket
