He frequently responds to fan questions on twitter so if you feel inclined, feel free to tweet him. If you look close, you'll notice that he's responding to a couple of CBMers in the twitter feed. "Agent Coulson was one of the guys who wasn't really in the comic books, and he [had] a very kind of small role in Iron Man. And I was just very lucky that they chose to expand that character and chosen to put him more into the universe of it. It's really a blast!... I get to do some exciting things in some of the new stuff." — Gregg on the character's expansion in Thor In
