

Following the slew of images posted these last two days, two more from Marvel's much-anticipated Captain America: The First Avenger have apparently been overlooked. Featuring the Captain, Howard Stark, Peggy Carter, and Colonel Philips, as well a few previously-seen images now in high-resolutions, check them out below. [Click Images To Enlarge] And yesterday, I posted 13 still images, though in a resolution not as great as two are now available in below. Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. Starring Chris Evans, Sebastian Stan, Tommy Lee Jones, Hayley Atwell, Samuel L.
