

Get More: MTV Shows Get More: MTV Shows Episode Official Synopsis: On the run from the unstoppable lizard army, Lion-O fears for his life. While hiding, he encounters a race of creatures who live out their entire lifetime in 24 hours, and learns a valuable lesson about hope. Plus, the highly anticipated debut of Panthro and the Thundertank! The original ThunderCats is an American animated television series that was produced by Rankin/Bass Productions (the same that created the SilverHawks, TigerSharks and The Comic Strip) debuting in 1985, based on the characters created by Tobin "Ted" Wolf. The series follows the adventures of a group of cat-like humanoid aliens. The animation was provided by Pacific Animation Corporation. Season 1 of the show aired in 1985 (65 episodes), followed by a TV movie entitled ThunderCats - HO! in 1986. Seasons 2, 3 and 4 followed a new format of twenty episodes each, starting with a five-part
