

The two clips below from Justice League Dark see Etrigan make short work of the Demon's Three and Batman having a pretty unusual post-workout shave. While Etrigan is taking care of his demonic brethren, Constantine appears to be stealing...cash? Or was he looking for something else and just decided to pocket the money while he continued to search? That would certainly be very Constantine-esque. Justice League Dark is out on digital January 24, 2017 and blu-ray/DVD on February 7, 2017. Justice League Dark is directed by Jay Olivia and stars Matt Ryan, Camilla Luddington, Jason O'Mara, JB Blanc, Ray Chase, Enrico Colantoni, Roger R. Cross, Jeremy Davies, Rosario Dawson, Brian T. Delaney, Alfred Molina, Jerry O'Connell, Colleen O'Shaughnessey, Jeffrey Vincent Parise, Laura Post, Fred Tatasciore and Nicholas Turturro. It's rated R for Mature Content. SYNOPSIS: Batman assembles a League of mystic heroes - the likes of Swamp Thing, the Demon, and Constantine - to help defeat this magical, otherworldly threat.
