

The official site for director Michael Bay has just released two new television ads for his much-anticipated threequel, Transformers: Dark Of The Moon. Featuring snippets of new footage, as well the new release date, check out the spots below. Transformers: Dark of the Moon follows a mysterious event from Earth's past erupting into the present day and threatens to bring a war to Earth so big that the Transformers alone will not be able to save us. And starring Shia Labeouf, Rosie Huntington-Whiteley, Patrick Dempsey, and Tyrese Gibson, the film releases June 29!
