

As the April 26th draws ever nearer for fans in the UK, the official Marvel Avengers Assemble website has been updated with brief character bios (which you can read below) as well as textless versions of previously seen character banners (which you can find by clicking on the link at the bottom of the page). The bio for Bruce Banner/The Hulk also confirms that the superhero ensemble takes place two years after the events of The Incredible Hulk. Stay tuned for even more details about the highly anticipated superhero ensemble in the next few days and weeks. Since relocating his operations to the newly constructed Stark Tower in New York City, the Repulsor-powered hero Iron Man has been in more frequent contact with S.H.I.E.L.D. As the eccentric billionaire and brilliant inventor Tony Stark, he serves as an advisor to Nick Fury's peacekeeping and intelligence agency. But when a new crisis leads to
