

Disney XD has released a new preview clip and a few images of this Sunday's new episode of "Ultimate Spider-Man". This new episode features the debut of Sandman and it could cause quite a controversy over a show that has already seen its fair share of controversy on the World Wide Web. Spider-Man and his team sneak off for a vacation on a deserted tropical island. However, they soon realize something is not right with the island and the Sandman will make sure they never leave in a new episode of Ultimate Spider-Man. This new episode of Ultimate Spider-Man titled "Snow Day," debuts Sunday, August 5th, 2012 at 11:00am EST inside the Marvel Universe block on Disney XD.
