Things kick off in Uncanny X-Men #534.1, as Gillen teams up with superstar artist Carlos Pacheco for a special point one issue, a great jumping on point for new readers! When the public finds out that the former Mutant Menace, Magneto, is not only sitting off the coast of San Francisco, but an X-Man – there will be some explaining to do. Then, fan-favorite artist Terry Dodson joins Gillen for an all new explosive arc, beginning in Uncanny X-Men #535! Watch as Gillen and Dodson pit the X-Men against a force they thought they would never see again...inhabitants from BREAKWORLD! With a mission that will strike the lives of star-crossed lovers Colossus and Kitty Pryde, there's no telling what can happen next! "When I joined Matt [Fraction] on Uncanny, I believe I said I couldn't be any more excited. I've been proved a shameful liar." explains Gillen. "I'm even more excited now."
