

UPDATE: By the good graces of Galactus, we're making this a contest! Hello, peeps! I used to belong to an artist community at penciljack.com - a forum for aspiring comic book artists/writers to sharpen their skills and network where we used to get together and have "art jams" where we would collaborate or have competitions, or "draw offs". It was a lot of fun and helped me sharpen my skills a bit. I really enjoy coming to this site and thought we could try and bring something like that here. So, consider this an open invitation for all the creative types here on CBM to come and challenge each other and yourselves and have some fun and win prizes! Everyone is welcome from writers, pencilers, inkers, letterers and colorists The Contest: To be clear, this is basically 2 contests in one with 2 chances to win (for the artists out there)! The Draw Off/Art Jam Challenge! I'll
