

Just the one pic for now unfortunately, but you can see that the usually gorgeous miss Lane has been significantly "de-glammed" to play Clark Kent's Earthly Mother Martha. There were some fan concerns that the actress would appear too young to play the character initially. Of course this pic isn't a close up but hopefully some more detailed images will filter through at some point. This pic was taken back on the Plano set, doubling for Smallville. Zack Snyder's reboot is currently shooting in Chicago where the Metropolis scenes will be filmed. Keep an eye on CBM for more recent pics as the Man Of Steel production continues. UPDATE: Here is some info I didn't feel warranted it's own article but makes for an interesting addition. Apparently Kevin Costner, who plays Jonathan Kent, was spotted on the Chicago set.. Alright so here's an update. The filming is taking place right now as I write
