

Ridley Scott, director of "Alien" and "Blade Runner," returns to the genre he helped define. With PROMETHEUS, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. The HD Version of the trailer is now available on iTunes Trailers and here is a You Tube embed:

Prometheus will be coming to theatres

on June 8th, 2012!
