

Captain America: The First Avenger" will focus on the early days of the Marvel Universe when Steve Rogers (Chris Evans) volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes (Sebastian Stan) and Peggy Carter (Hayley Atwell) to wage war on the evil HYDRA organization, led by the villainous Red Skull (Hugo Weaving.) Hang on a second...isn't that what Chris Evans was wearing as Steve Rogers while filming the movie in Manchester, England? The outfit we know he's in after taking the super soldier serum! Strange...although the angle of this shot makes it somewhat tricky to tell whether the clothes are too small for him and as some of you have pointed out below, he appears to be wearing shoes! UPDATE: Thanks to Daniel Wanderman, we also have the following picture of the Acura S.H.I.E.L.D vehicles.
