

Paramount/LucasFilm issued the below press statement announcing the release of The Complete Indiana Jones Blu-Ray Collection, featuring all four movies in the highly successful adventure series. The collection is set to be released this fall. The cover art and full list(s) of special features for this release have yet to be revealed, but we'll update when all the info is available. In the meantime, check out the official announcement below: The man with the hat is back – and looking better than ever! The world's favorite globe-trotting archaeologist is, at long last, embarking on his greatest adventure – when "The Complete Indiana Jones Blu-ray Collection" comes to Blu-ray Disc from Lucasfilm Ltd. and Paramount Home Media Distribution. The Complete Indiana Jones Blu-ray Collection will be excavated in the fall of 2012 and will include all four of Indy's thrilling adventures, using the highest possible high definition picture and audio presentation – along
