

All we really know so far about Meredith Vickers is that she's played by Charlize Theron, likes to do push-ups half naked, and works for The Weyland-Yutani corporation - which means she's probably not the most trust worthy of ladies. Maybe the below vid, which features new footage, will provide a bit more info on the character.. Ridley Scott, director of "Alien" and "Blade Runner," returns to the genre he helped define. With PROMETHEUS, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. Prometheus hits theaters June 8th.
