

The Hub has released a new promo for the second season of their animated show Transformers: Prime, which is set to begin this Saturday. Airing at 8:30PM Eastern/5:30PM Pacific on February 18th, the episode "Orion Pax, Part 1" picks up where season one ended: with Unicron defeated by Optimus Prime's Matrix, his memory is now lost, reverting to his Orion Pax days, and Megatron takes full advantage. Check out the 30-second promo after the jump. Thanks to TFormers for the heads up.
