

Last week, Slash Film broke the news that there will be a six minute The Dark Knight Rises prologue in front of IMAX screenings for Brad Bird-directed film Mission Impossible: Ghost Protocol, which will play in IMAX a week earlier before it hits everywhere on December 21. Now AMC Theatres confirms this story plus they offer an update: "AMC Theatres can confirm that this footage will be shown in front of Ghost Protocol on December 16th. (Ghost Protocol will release in IMAX five days before its general release on the 21st of December.) However...The six minute Dark Knight Rises prologue footage will only be shown on the higher resolution 70mm IMAX screens. Not the digital IMAX screens." There you go. You will be able to see that prologue only on 70mm IMAX screens. Starring Christian Bale, Anne Hathaway, Tom Hardy, Michael Caine, Gary Oldman, Joseph Gordon-Levitt, Marion Cotillard and Morgan Freeman, The Dark
