

Midwest Movie Maker have posted some photos of Ameritrust Tower in Cleveland (the building next door, also abandoned, was used in Spider-Man 3) featuring the construction of a new entrance. What is it for? Well, that's a fairly modern looking design which has led many locals to speculate that it may have something to do with either Stark Tower or S.H.I.E.L.D. Personally, I'd say either one of these is pretty likely, but the site promise an update in a few days time when the work is completed, and there are hopefully signs put up. UPDATE: Thanks to the keen eye of CBM's own DCMarvelFreshman, we also have the following images showing a far more completed version of the constructed building entrance. Remember, you can find him on Twitter by clicking [HERE!](#) What do you guys think? Pretty unrevealing I know, so here's hoping we end up getting some set photos as good as
