

Just remember this special feature can only be unlocked by pre-ordering the game through Amazon. Players will be about to play as Stan "The Man" Lee during special missions throughout New York City. The mission involves tracking down pages of a lost manuscript. Go beyond the movie to experience what it's like to BE Spider-Man like never before. Set shortly after the events of Columbia Pictures' new film, The Amazing Spider-Man throws New York City's brand new hero back into free-roaming, web-slinging action, as he protects the Big Apple from a deluge of unimaginable threats. Experience the new Web Rush mechanic as Spidey twists his way through the NYC skyline with unprecedented speed and grace. The game's original story also explores beautiful indoor environments, as you'll encounter everything from skirmishes with everyday street thugs to pulse-pounding confrontations with Spider-Man's most lethal foes. RELEASE DATE: June 26th, 2012.
