

Thanks to YouTube's subaruwrxfan, we have this fantastic HD footage of the Batwing in all its glory, giving us our first proper look at the newly created aircraft for The Dark Knight Rises. We've seen far off blurry pictures, and we've seen it in action chasing down Bane's trucks, but this shows the design in full. Reports from the Pittsburgh set also indicate that they have a Batman dummy in the cockpit! Check out the video and share your thoughts in the usual place!

UPDATE: He's now uploaded another HD video to YouTube, this time giving us a crystal clear look at the Batwing in flight and the dummy Batman sitting in the cockpit of the vehicle!
