

Well Michael Bay said, "These turtles are from an alien race" he created a firestorm of controversy bigger than anything he has put on film, and that is say something. Over the past few days we've heard from many actors that have worked on TMNT, but not from one of the most important people, the creators. Peter Laird alongside Kevin Eastman, gave birth to the Teenage Mutant Ninja Turtles, and Peter has gone to his blog to weigh in on Bay's controversial comments. I have had several requests from TMNT fans during this past week to comment on the idea of the Turtles being "reimagined" as aliens for the upcoming TMNT movie to be produced by Michael Bay. A few people -- who don't seem to understand that I am no longer in control of the property -- want me to stop this, somehow. Obviously, I can't do that, even if
