

Here are the final numbers for this box office weekend. Martin Campbell-directed comic book adaptation Green Lantern finished #1 with \$53M, way below that previously expected. Film was getting a lot of negative reviews, with couple of good ones here and there (you can check out Josh and Mark's reviews [HERE](#) and [HERE](#)). UPDATE: Below are the actual numbers for this weekend and as you can see Green Lantern opened with \$52.6M: 1. Green Lantern 3D - Friday \$21.6M, Saturday \$16.8M, Weekend \$52.6M 2. Super 8 - Friday \$6M, Saturday \$8M, Weekend \$21.2M, Cume \$72.7M 3. Mr. Popper's Penguins - Friday \$6.4M, Saturday \$6.5M, Weekend \$18.2M 4. X-Men: First Class - Friday \$3.3M, Saturday \$4.4M, Weekend \$11.5M, Cume \$119.9M. For full box office report follow the link at the bottom of the page. From Deadline: "Warner Bros' 3D Green Lantern (\$21.6M Friday, dropping -21% for \$17.1M Saturday, and only a \$53M weekend) underperforms, unable to meet even the studio's
