

As I'm sure you are all delighted to hear, this year's Victoria's Secret fashion show will have a Super-Hero theme. Below are some pics of the lovely ladies including Anja Rubik and Adriana Lima. Not any already established comic book heroes unfortunately, but I'm sure you will agree that they all look damn good and most have definitely pulled off the Super-Hero look. A few do kinda look more like pretty hood ornaments.. Via /Film. For a few more pics click the link below. By TwitterButtons.com
