

According to THR Victoria's Secret and Sports Illustrated model Marisa Miller will join Ryan Reynolds and Jeff Bridges in Universal's adaptation of the Dark Horse comic book R.I.P.D. No word on which role she will be playing but my money is on, eh, someone hot anyway. Tv fans will no doubt recognize Miller from the likes of Entourage, Gary Unmarried, and How I Met Your Mother. She makes her movie debut in Robert Schwentke's CBM, which follows a murdered cop (Reynolds) who is recruited to work in the Rest in Peace Department, a police force comprised of ghosts who battle spirits unready to depart this world. R.I.P.D also stars Jeff Bridges, Kevin Bacon, Mary-Louise Parker, and Stephanie Szostak. By
